

St. John the Baptist School Newsletter

August 28, 2009

Dear families,
Last evening's celebration of Back to School Night was invigorating. Our school community celebrated our family - the people with whom we share our most precious gift - children. Our faith journey this year will focus on the gift of our family and its blessings.

Each school year is a new page in the history of the Saint John Community. As we turn the page we begin to see and develop a strong sense of who we are and what we are called to do. We will serve one another. We will grow in our faith together. We will find strength and peace in our family - personal and school. Thank you for the gift of you. Your children bring joy to our lives everyday. May we continue as a family to love, to nourish, to find peace, and always remember that hope is our gift to ourselves and each other.

Together in Christ,

Mrs. Sandor

THANK YOU!!

We would like to extend a huge thank you to Dana Merle and Carisa Snyder! Dana & Carisa were responsible for providing our Boo Hoo Breakfast for all of our kindergarten parents on the first day of school. Thank you Dana & Carisa for continuing to give your time and talent!

CELL PHONES

In accordance to Diocesan policy, students may not have cell phones at school. We understand that some students may need a cell phone to contact parents after school. If this is a need for your child, they need to follow this procedure.

1. Tell their teacher they have a phone.
2. The phone must be given to the homeroom teacher or brought to the office.
3. The child may pick up their phone at the end of the day.

Anyone not following this procedure will be given an ISS and the phone will only be returned to a parent or guardian.
