AR Program

Dear Parent or Guardian:

The students of St. John the Baptist Catholic School is using a software program called Renaissance Place. This program has a special feature called Renaissance Home Connect, which allows parents and students to access it from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, parents and students to share information about each student's progress in the Accelerated Reader (AR) program.

You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser. For a list of compatible browsers, type the following URL in any browser: *http://support.renlearn.com/techkb/techkb/10624292e.asp*

To Log into Renaissance Home Connect

Website: *https://Hosted162.renlearn.com/121073/HomeConnect*
User Name: XXXX (Student's User Name at School – 1st initial and 1st four letters of last name)
Password: AR

After log-in, the first screen will show the 'current month' (or marking period). You can change this to the entire school year by clicking on the small arrow at the right side of the blue "My Overall Progress" banner and choose the School Year option. On the right side of the screen, underneath "My Last Quiz" information, you will find a "View My Bookshelf" option. By clicking this, you will be able to see all of the books your student has read and completed test for. By clicking each book individually, you can see the actual test results.

AR Book Finder – This option is located at the bottom right side of the screen. This option will allow you to look up any book to find out AR level and point information.

If you'd like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, add *homeconnectautodelivery@renlearnrp.com* to your address book.

Thank you,

Mrs. Dickerson
Librarian

P.S. Remember, AR Tests can only be taken at school.
